

Terra Time

Gregory Gleinig - 2024-04-24 - Network

Set the date and time automatically

You can have the date and time set automatically using a network time server. Be sure your time is correct so time stamps on emails, messages, and files are correct.

Terra Data Centers Time Server Source

Time Server Hostname	Pool
----------------------	------

time.terradatacenters.com	Yes
---------------------------	-----

Mac Desktop

To change these settings, choose Apple menu  > System Settings, click General  in the sidebar, then click Date & Time on the right. (You may need to scroll down.)
