Terra Time

Gregory Gleinig - 2024-04-24 - Network

Set the date and time automatically

You can have the date and time set automatically using a network time server. Be sure your time is correct so time stamps on emails, messages, and files are correct.

Terra Data Centers Time Server Source

Tille Server Hostilaille Pool	Time	Server	Hostname	Pool
-------------------------------	------	--------	-----------------	------

time.terradatacenters.com Yes

Mac Desktop

To change these settings, choose Apple menu > System Settings, click General in the sidebar, then click Date & Time on the right. (You may need to scroll down.)
